

## Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

### One-off charges taken before or after you invest

Entry charge	0.00%
Exit charge	0.00%

These are the maximum charges that we might take out of your money before it is invested and before we pay out the sale proceeds of your investment. In some cases, you might pay less and you should speak to your financial adviser about this.

### Charges taken from the Fund over a year

Ongoing charges	1.28%
-----------------	-------

### Charges taken from the Fund under specific conditions

Performance fee	0.00%
-----------------	-------

- Switching charge (for switching into the Fund from another fund) 1.00%.
- The ongoing charges figure is based on the last year's expenses and may vary from year to year. It excludes the costs of buying or selling assets for the Fund (unless these assets are shares of another fund).
- The ongoing charges figure shown here is an estimate of the charges. An estimate is used in order to provide the figure that will most likely be charged. The UCITS' annual report for each financial year will include detail on the exact charges made.
- In respect of the Entry charge, this charge may also be applied to switches.
- In respect of the Switching Charge, this is the current maximum charge that may be applied under the terms of the Prospectus. In some cases, you may pay less; you should speak to your financial adviser about this. For more information about charges, please refer to the Fund's Prospectus. The ongoing charges figure is as at 01/04/2018.
- A mandatory initial charge of 2% is applied on subscriptions. This charge is included in the overall maximum entry charge of 6.38%.
- An estimate is used in order to provide the figure that will most likely be charged.

## Past performance
